

Uganda Christian University Partners

Annual Report 2014

Executive Director's Word of Thanks

As the new Executive Director, I want to thank all our donors who have given generously to Uganda Partners to empower Uganda Christian University (UCU) to become a center of excellence in the heart of Africa.

Your donations have supported the organization under Diane Stanton's steadfast leadership since 2002.

I am pleased to have been chosen to continue the work of bolstering UCU and connecting our U.S. partners with the impressive work that the University is doing in Uganda.

This Annual Report is only a snapshot of the successes of both Uganda Partners and our end game—Uganda Christian University!

Thanks again for sharing your resources towards the advancement of God's kingdom in Uganda, East Africa and the world.

our achievements:

UCU's Moot Court Team won the Henry Dunant Award at the Pan-African Moot and placed sixth in the African Human Rights Moot. The team will compete in the prestigious Jean Pictet Concours in Charlottesville, Virginia in April 2015.

UCU launched Uganda Nursing School Bwindi, an affiliate of UCU and passed 100% of the inaugural class.

Diane Stanton led her final official trip to UCU in April 2014 as Executive Director. Mrs. Stanton retired in June after over a decade of service. Mark Bartels was appointed to serve as the new Executive Director in July 2014.

UCU hosted the East Africa University Games. UCU placed third out of the forty-six universities represented.

UCU returning Fulbright Tom Gurley continues to develop the chemistry lab and a soil-testing project, Green Uganda. UCU welcomes Fulbright Ann Miller teaching communications and has sent Fulbright faculty member, Elizabeth Bacwayo who will finish this academic year teaching development studies at Trinity Christian College.

our hopes:

- Celebrate and honor the work and contribution of our outgoing Executive Director, Diane Stanton.
- Host an April 5K Global Partners race for Uganda Studies Program alumni, UCU alumni and current supporters at UCU.
- Promote *Legal Ethics and Professionalism: A Handbook for Uganda*, a recent release which was edited by two UCU faculty members, featuring contributions from five other members of the Faculty of Law.
- Expand our communication efforts, including our Facebook page—we'll be "friending" you soon!
- Lead a UCU Connect trip to Uganda in July 2015. Please let us know if you are interested.
- Ratify and implement our new Strategic Plan.

Vice Chancellor, Rev. Dr. John Senyonyi
